

# Open Campus Outcomes

Delivering the Best Solutions  
for our National Security  
Mission

Public/Private Partnerships to  
accelerate Innovation and  
Market Impact

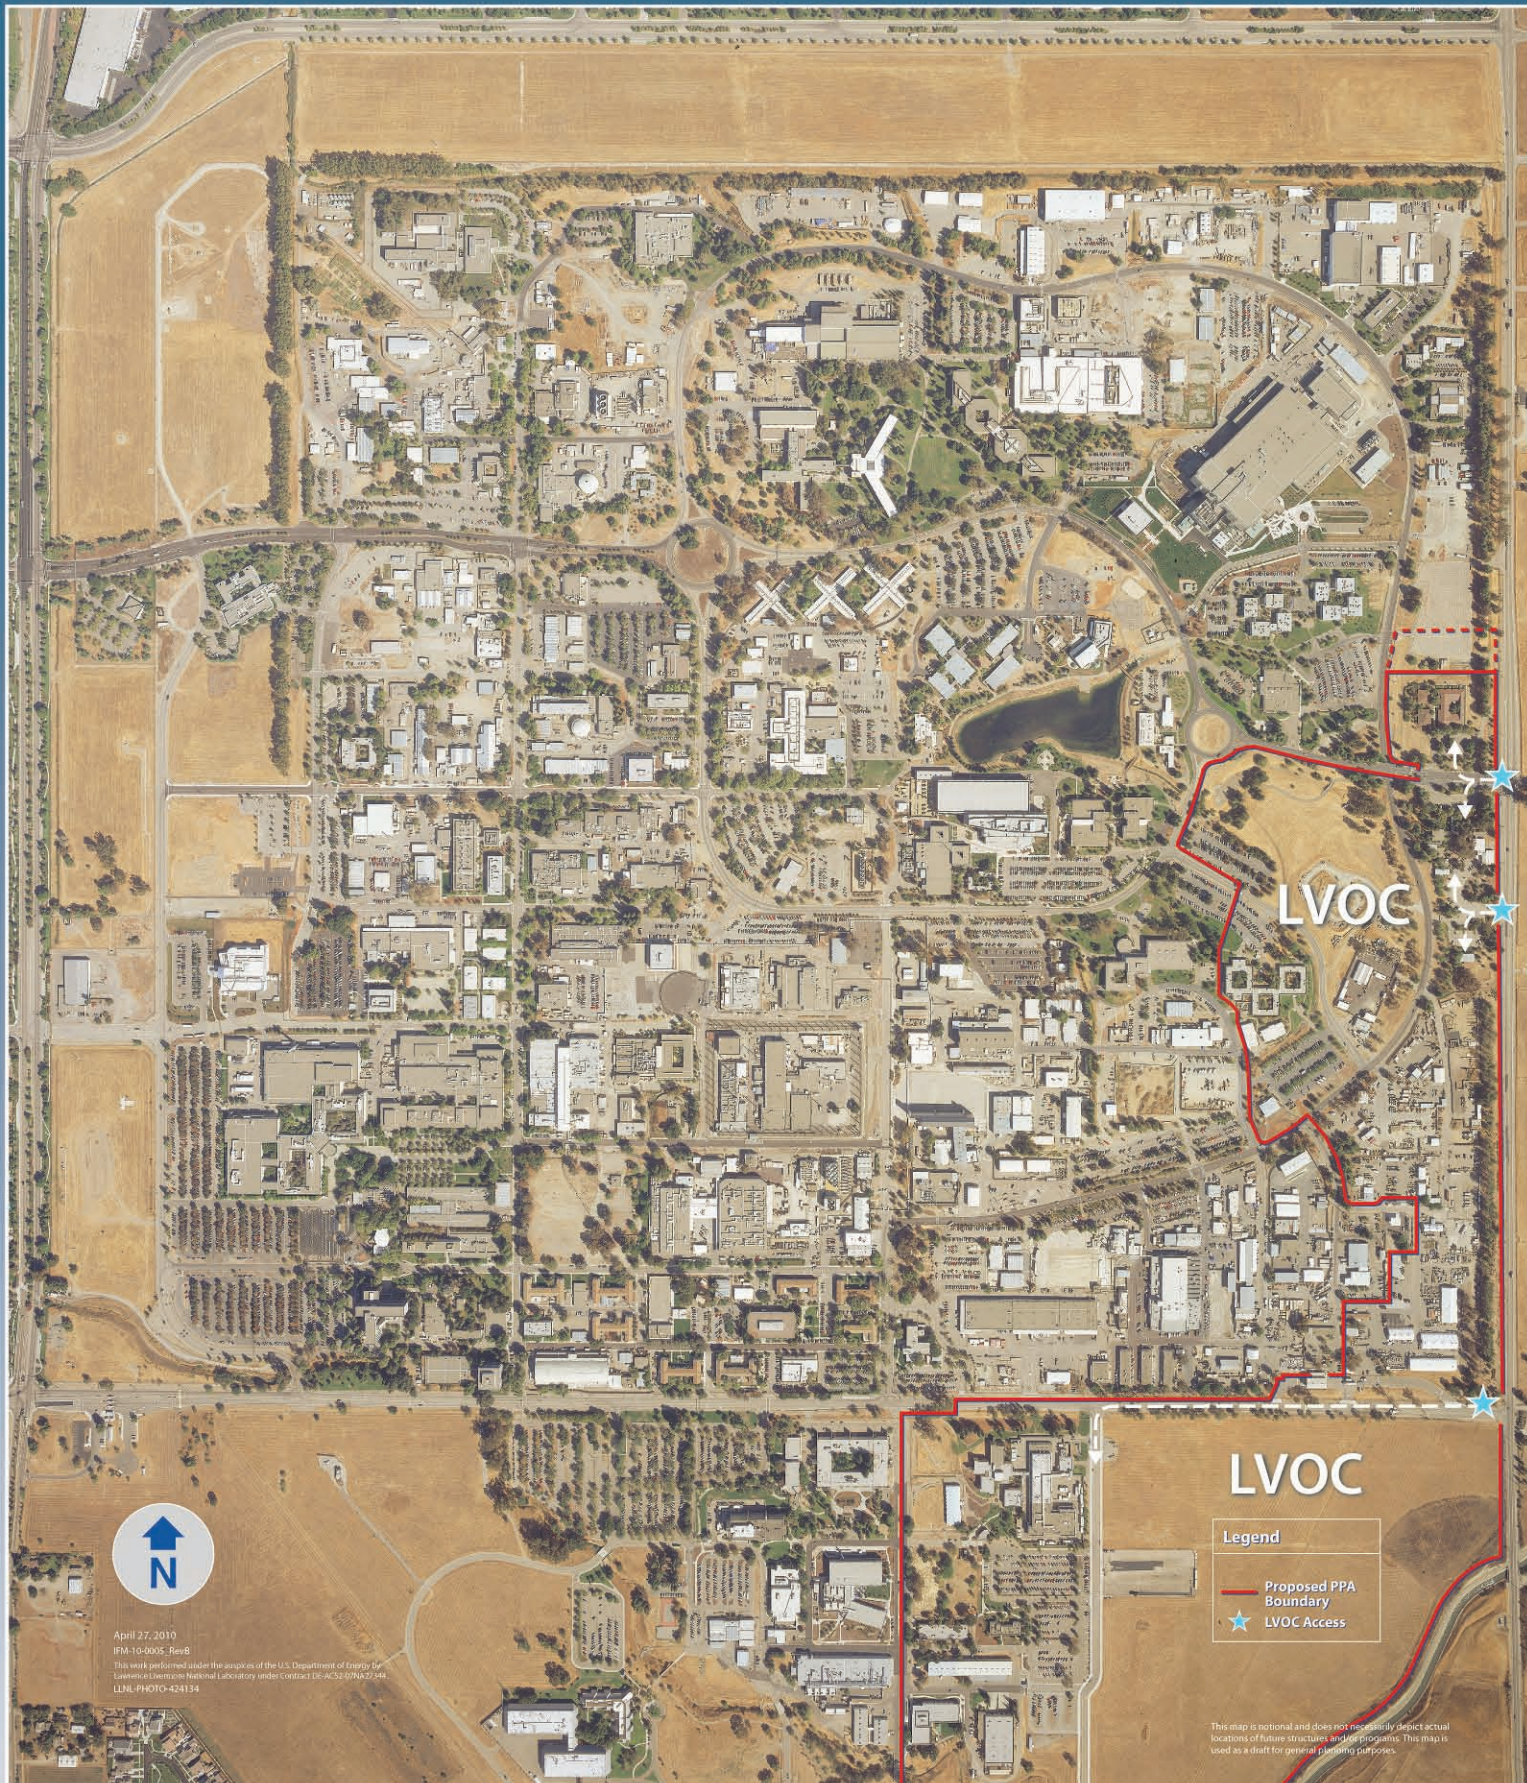

Re-establishing the Labs as the  
Employer of Choice in the 21<sup>st</sup> Century

Enhancing Open  
Science and  
Academic  
Collaboration at  
the National  
Security Labs

LVOC is unique in its mission to leverage and strengthen national  
security capabilities
